

Community Clubs

Community Clubs normally meet once a month during the school year. Members have a short business session, an education program, refreshments and recreation time. Members usually plan their club year with their leaders based on interests of individual members and the group as a whole.

Clubs normally elect their own officers, conduct community service projects and participate in on-going county 4-H events. These county events include the annual Fashion Revue and Talent Show, Presentations Competition, Achievement Night and many more. There are currently five organized, volunteer led clubs throughout Anson County.

Eager Beavers 4-H Club – Wadesboro

Busy Bees 4-H Club - Wadesboro

4-H Livestock Club - Wadesboro
