

*Union, Stanly, Cabarrus, and Anson Soil and Water Conservation Districts,
in partnership with NC Cooperative Extension, present*

2018 Poultry/Swine Composter Workshop

August 30th

10:30am-2:30pm

Union County Agriculture Center

Join us for a 4-hour workshop for Poultry and Swine producers. Agenda features presentations from Extension Staff, NRCS, Soil and Water Conservation Districts, and composter representatives. Topics include funding opportunities, composting methods, and product overviews.

BIOvator[™]

Lunch will be provided

Sponsored by EcoDrum, BioVator, and Advanced Composting
