

Anson County Local Foods Directory

Anson County has a robust system of local foods markets, with over a dozen markets and roadside stands. With the closing of dine-in restaurants and more demand for protein and other store-bought foods, here is a list of Anson farms and seasonal markets open and ready to fill the grocery gap.

Bountiful Harvest Farms

We are a family-owned and operated farm Polkton, NC. We began raising free-range heritage poultry in 2011. We are a full circle farm – laying hens, breeders, a hatchery, chicken and poultry growers, and on-farm processing. We serve Anson, Cabarrus, Gaston, Mecklenburg, Stanly, and Union counties and want to provide healthy food from our family farm to your family table. Please visit our website to learn more about our farm, values, and tasty products! <http://www.bountifulharvestfarmnc.com/home.html>

Legacy Botanicals by Bountiful Harvest Farm

Established in 2019, Bountiful Harvest diversified with Legacy Botanicals industrial hemp grown in Anson Co. We use our Full Spectrum Phytocannabinoid CBD Oil in product lines which include facial care, body care, and tinctures. Our products utilize clean, simple ingredients. Our goal is to provide our customers with the highest quality products on the market. Visit our on-line store at <http://www.bountifulharvestfarmnc.com/>.

Brown Creek Creamery

We are a small family dairy located in central Anson County. We have a herd of 18 Jersey cows that produce high quality milk which we use, in small batches, to make several different types of cheeses, and other dairy products. Please visit us online at <http://www.browncreekcreamery.com/>. Orders may be place online and picked up at the farm in Wadesboro, NC. Our cheese can also be found at Peaches n' Cream.

Greene Farm Natural Beef

Greene Farm is a multigenerational family farm in Peachland dedicated to raising healthy cattle in a natural environment. No hormones, antibiotics, animal by-products, or artificial ingredients are used to raise our quality natural beef. Please visit our website to find out more about our products, pricing, and how to order.

Horne Farm

Our grass-fed beef is born and raised in Anson County. We offer on-farm pickup of ground beef, boneless stew beef, chuck roast, boneless ribeye steak, steak tenderloin, N.Y. Strip, etc. Contact Chad Horne in Peachland, NC, 704-695-2551.

Pee Dee Orchards

Our family-owned peach and ice cream stand is conveniently located in Lilesville, along Hwy 74E, close to the Pee Dee River. During our May-October season, our products include tree-ripe peaches and ice cream. We have homemade peach ice cream and scuppernon ice cream, plus many other popular flavors. With nearly 60 years of peach-growing experience, our product can be found at the Raleigh's Farmers Market, Matthew's Farmers Market, Moore Co. Farm to Table, and at our Pee Dee Orchards Ice Cream Stand, located on the farm at 11279 US Hwy 74 East, Lilesville, NC 28091.

Peaches n' Cream

Our roadside stand started in 2004 as a retail outlet for Phillips Farms, a 5th generation farm. Enjoy our 8 homemade ice cream flavors served by the scoop, in milkshakes, or atop our delicious peach cobbler! You will also find fruits, vegetables, jams, cheeses, and other quality farm products throughout the season as we partner with local farms. Visit our stand at 2735 US Hwy 74W, Wadesboro, NC. <https://peachesandcreamnc.com/>
