"Anson County Cooperative Extension has been a positive partnership for HOLLA! since 2021. The staff has given our youth numerous opportunities that they would otherwise not get a chance to participate in such as, The Youth Leadership Forum with elected officials and the Interim County Manager. The opportunities and experiences that the Extension office offers youth and citizens are wide-ranging. This is our first year partnering with them, but this is not our last."

-Devin Pettiford, Director of Communications  
HOLLA! Helping our Loved Ones Learn and Achieve

NC Cooperative Extension is an equal opportunity provider.

# \$23,260

Dollar value saved by the total hours worked by NC Cooperative Extension - Anson County Center volunteers.

**\*\*Based on the \$28.54\*\***

Adults increased their fruit and vegetable consumption

## 2,472
